Denman Award Winners - Walking with God

Gerry and Beverly Fosdal are the Wisconsin Conference Laity recipients of the 2009 Harry Denman Evangelism Award. They are described as being significantly committed to being the church and exemplifying relational evangelism at its best. Many young people, once troubled, are vital Christians today with one of the major reasons being the Foslals who were there for them and introduced them to life in Jesus Christ. Rev. Brian Cook, the Fosal's pastor, shares the testimony of countless people who say "Bev and Gerry helped me to know that God is real and that He loves me and that He sent His Son to offer Himself for me." Rev. Cook goes on to say, "This is their story. This is their song. And they have been singing it together for decades."

YouthWorker Movement Celebrates 5 Years

Guest Post: Terry Carty,
Executive Director of Youthworker
Movement, provides this report.

It was early November evening
when I got the call from GBOD
General Secretary Karen

and I could join her for dinner with

Foundation for Evangelism / GBOD partnership was formed
that resulted in the creation of the YouthWorker Movement.
That was a day that changed the direction of my ministry
with adults who minister with youth.

group of 16 key youthworkers from across the nation to cast
the vision... [\[Read More\]](#)

The Foundation for Evangelism's Facebook Cause

As The Foundation for Evangelism
continues to bring persons into a
personal relationship with Jesus Christ
and help them grow as His disciples,
social media helps to bring others
onboard to support the vision of the
Foundation of raising up leaders with a
passion for evangelism.

The Facebook "Causes" system is a new
way for the Foundation to share its mission with others who
are members of the Foundation's Facebook site. Not just for
those within the members group, the Causes system allows
others to support and nurture that passion of helping all
persons experience God's transforming love through Jesus
Christ. By putting a link to the Causes system for our site on
their Facebook page, people can show their commitment to
our goals, so that we may grow.

If you are on Facebook, why not click this link and become
a member of our Causes group as well. Your support helps
us make that difference, and continues to allow us to
promote, encourage, and provide resources for responsible
evangelism. [\[Read More\]](#)
