Reflections on Dr. Harry Denman

Dr. Harry Denman and a group of like-minded persons formed The Foundation for Evangelism in 1949. During the 60th Anniversary year, the legacy of Dr. Denman deeply reminded us of the importance of Wesleyan evangelism that each one of us should practice in our daily lives. Those who personally knew Dr. Denman continue to speak of his commitment in the name of Jesus Christ.

The Foundation for Evangelism was able to capture some of the stories that persons remember about Dr. Denman's work in helping others to experience God's transforming love through Jesus Christ. We encourage you to see the interviews with those personal encounters of Dr. Denman and the multiplying passion for evangelism he reflected on them.

Enjoy part one in a series of videos called "Reflections on Dr. Harry Denman".
