Purpose of the Facility

The Foundation for Evangelism building is designed to provide high quality space to facilitate the mission of the Foundation, to make disciples of Jesus Christ. The facilities are available

for use by the Foundation, its partners, and Christian organizations for meetings, workshops, seminars, and other activities.

Our Vision

Growing generations of Christ Followers – clergy and laity - who have a passion for evangelism.

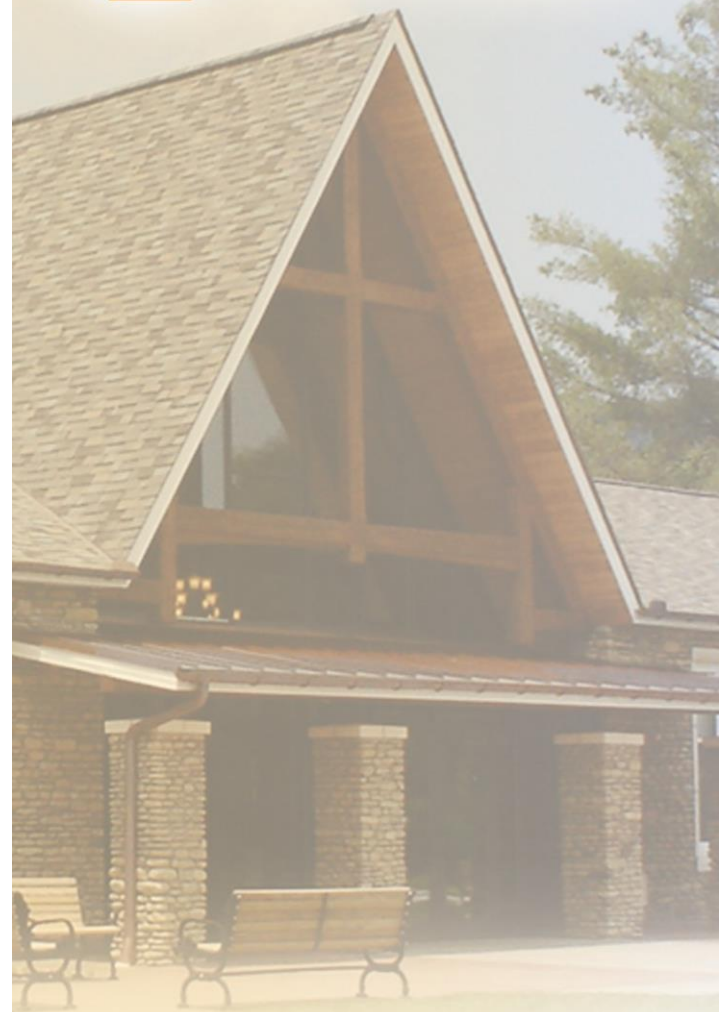

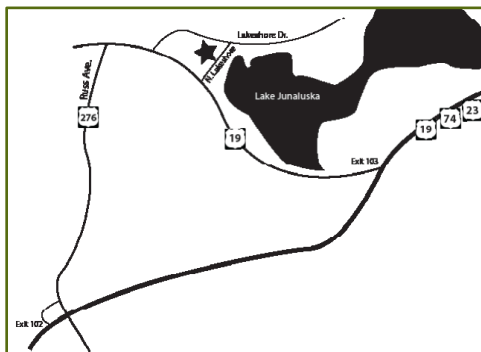

Our Mission

To promote, encourage, and provide resources to grow Wesleyan evangelism bringing all people into a life-transforming relationship with Jesus Christ.

The Foundation for Evangelism’s ministry encourages the practice of evangelism in the spirit of John Wesley - evangelism that is intelligent in its theology, non-manipulative in its methods, and missional in its consequences. We focus on funding initiatives that are attentive to results, compelled by a clear mission, and equipped for sustained impact in the areas of leadership development, laity/local church evangelism, and ministry with young people (ages 12 -35).
